

St Martin's Primary School

Online Safety Newsletter

Summer Term 2023

Written and produced by the Digital Leaders.

The Digital Leaders have chosen the content for this newsletter which they think is important for their peers to know and be aware of. Please check out our online safety websites if you want further information.

Website for pupils -

Digital Ace is a fantastic free event held at Beau Sejour to provide guidance on online safety and security for both parents and children. There will be lots of interactive stands and activities run by local companies.

- A** - supporting digital **aspirations**
- C** - using information and tools to **create** new things
- E** - **empowering** us to learn and be safe in the digital world

Please check the flyer on the left and the website for more details and add the date to your diary.

Saturday 24th June 12-5pm

The Digital Leader Team

Year 4

Year 5

Year 6

Do you know how to be **SMART** online?

The **S M A R T** Rules can help you!

S = safe

Being safe on the internet is VERY important.
Don't show other people your password, just like you wouldn't share your toothbrush.
Make your password really tricky like cJ3@poN21.

M = meeting

If you are asked to play a game with somebody you don't know, don't play with them.
Meeting someone you've only been in touch with online can be very dangerous as they could be older. Ask a parent or guardian to go with you or let you go on your own with their permission.

A = Accepting

Be careful which e-mails or messages you accept. Messages from people you don't know could give your computer a virus so be careful what you open!

R = Reliable

Reliable means that you can trust something.
Some things on the internet are not true so you need to be careful. This is called fake news.
Try and find information on three different websites to help check that it is reliable.

T = Talk

Talk to a duty bearer if something is worrying you or upsetting you on the internet.
Or you can shut down the computer or game and remember to not respond as you might get yourself in trouble.
